State agencies can request ISIRs for any student on the CPS database. This process is known as the Federal Data Request (FDR).

New for 2001-2002: The State Agency ISIR contains all data including the National Student Loan Data System (NSLDS) data.

The Record Layouts Section includes details on the ISIR record layouts. Comment codes and text, verifiable rejects, and how to respond to each are in the Processing Codes/System Requirements Section. The Printing Section contains specifications for printing the ISIR. The record layouts for FDR are in the Record Layouts Section (FDRS02IN), and the procedures for the FDR process are in the EDE Processing Section.

Electronic Corrections/Duplicate Requests

Schools can submit corrections to FAFSA data electronically. The Record Layouts Section includes the record layouts for submitting corrections (CORR02IN). ~~formerly SARR02IN).~~

Schools can make duplicate requests to receive a specific ISIR transaction for a student provided their federal school code is listed on that transaction. The Correction and Duplicate Request record layouts are found in the Record Layouts Section (section 3) and are submitted in the CORR02IN message class.

Information about adding your Federal School Code to receive electronic data, making signature corrections, requesting a duplicate ISIR, and using the correction record are found in the EDE Processing Section (section 2).

Handling Record Level Rejected Records

If the specifications in this guide are not followed on a particular record, an EDE Record Level Error Report file is transmitted to you and may be printed as an error report. (The layout is in the Record Layouts Section.)

The EDE Record Level Error Report contains the record's serial number, the student's ID, the transaction number, last name, first name, the SAR field number in error, an edit code, an error code and a text explanation for the reason the record was rejected. Each field in error is reported. If it was rejected due to invalid value, CPS sends the actual value of the data received from the school. A serial number and student ID is listed more

DL Master Prom Note (MPN) Flag and the FFEL MPN Flag

These determine the status of the Direct Loan MPN and FFEL MPN respectively.

A = Active

I = Inactive

C = Closed

N = No MPN on file

U = Unavailable

NSLDS FFEL Lender Code

If there is a FFEL MPN Flag, this code indicates the lender by their Federal School Code, or whether there are multiple lenders.

Federal School Code X00000-X99999

Y = More than 1 lender and N/A

~~Extra~~ Additional Unsubsidized Flag

Added to the loan level it informs schools that the aggregate loan amount borrowed includes unsubsidized loan amounts in excess of the normal aggregate loan limits. This occurs when the dependent student's parent was denied a PLUS or the student is a Health Professions student.

Capitalized Interest Flag

Added to the loan level for informational purposes only. It does not tell you the amount of additional loan funds the student received.

- State Agency ISIRs and Federal Data Request (FDR) ISIRs now contain NSLDS data.
- New CPS edits

FAFSA Question 9 edits. Your date of birth – If the applicant provides 1900, 1901, or 1902 as their date of birth, the FAFSA is rejected with a verifiable reject A.

FAFSA Question 39 & 40 and 73 & 74 edits. Adjusted Gross Income (AGI) and Taxes Paid – If the applicant or the applicant's parent(s) provide a value for taxes paid that is equal to the AGI, the FAFSA is rejected with a verifiable reject C.

Paper FAFSA without a Signature. If the applicant submits a paper FAFSA without the student's signature, the FAFSA is processed and

2. Compute Rejects

CPS contains a series of edits that evaluate all incoming initial FAFSA data for consistency and completeness. These edits apply to all data from electronic and paper input. An Expected Family Contribution (EFC) is not computed for ~~an~~ *a* FAFSA rejected for a compute reject reason. However, an ISIR is produced.

Application ISIRs with a compute reject are returned in the EAPS02OP message class. The reasons for the compute reject are coded on the ISIR. Refer to the Processing Codes/System Requirements Section for information on interpreting these reject codes.

There are two types of FAFSA compute reject reason codes, numeric and alphabetic:

- Numeric: certain data items **MUST** be corrected before a valid ISIR can be generated (Non-Verifiable).
- Alphabetic: certain data items must be either corrected or verified before a valid ISIR can be generated (Verifiable). An alpha reject reason code is a verifiable data element, meaning the data given is questionable but could be correct.

In the paper system, a student can verify a data field by re-entering the same information in the SAR correction column for the field in question. In the electronic process, the school verifies the data (reenters the data as a "correction") and transmits the correction record to CPS. Data that must be verified or corrected in response to each reject reason is provided in the Processing Codes/System Requirements Section.

A student's record may not have an EFC if the record contains questionable data and has ~~an~~ *a* FAFSA reject reason code(s). The reject reason code(s) is found in position 610-623 on the ISIR and explains the questionable field(s) and the highlighted field(s).

Automatic ISIRs for State Agencies

Each state agency subscribing to the ISIR service can choose to automatically receive one ISIR for every student who:

- Indicates that state on the FAFSA as the state of legal residence
- Is a non-resident but lists a college within the state
- Both of the above

Note: If the student indicates on the FAFSA more than one school that is located in your state, your state agency receives only one ISIR.

Automatic ISIRs are transmitted daily from CPS to the SAIG in one of two message classes:

ESFR02OP	State Agency ISIR Resident
ESFN02OP	State Agency ISIR Nonresident

Note: The state agency indicates what type of ISIRs (residents, non-residents or both) it wants to receive on the Title IV WAN Letter of Application.

Federal Data Request Processing (FDR)

A Federal Data Request (FDR) is the process by which a state agency can request the electronic processed FAFSA record for any student in the CPS database.

In the case of students who are neither residents of the state nor attend a school in the state, an FDR can be made if the student has signed a loan or state grant application that releases CPS data to the state agency. The agency must retain the signed FAFSA. When requesting and receiving this data from CPS, use the following message classes:

FDRS02IN	FDR Request
FDRF02OP	Processed FDRs
FDRU02OP	Unfulfilled FDRs not on CPS Database after 30 days

Note: ~~The record length of the FDRS02IN has changed to 580 bytes to include the NSLDS information.~~

ISIR Comment Codes and Text

This table associates ISIR comment codes with the text for the code. It will also indicate if the comment code sets the C code, which indicates that a school resolution is required. The table also indicates if a reject code is associated with a particular comment code. This table is helpful when resolving SAR/ISIR rejects as it highlights the comments to which you should pay special attention.

2001-2002 SAR/ISIR COMMENT CODE CROSS - REFERENCE TABLE

This table lists all of the CPS comment codes, a definition for each code that indicates the action causing the comment code to be set, and whether there is text associated with the comment code to print on the SAR or the ISIR.

2001-2002 SAR/ISIR Comment Code Cross-Reference

Beginning in the 2001-2002 processing year, comment codes will be set by the CPS on the student's transaction to provide information to you in the Financial Aid Office, but will not cause text to print on either the SAR or the ISIR. The comment codes are as follows:

002; 011; 012; 014; 015; 017; 019; 022; 025; 027; 029; 032; 034;

131; 137; 140; 153; 164; and 165.

The following table lists of all the CPS comment codes, a definition for each code that indicates the action causing the comment code to be set; and whether there is text associated with the comment code to print on the SAR or the ISIR.

For example, comment code 002 is turned on by the CPS when the Early Analysis Flag is set on the student's transaction (ISIR field #116 = 1). The code will be included with all other comments codes on the ISIR layout (in ISIR field #261 - Comment Codes). However, there is no associated text to print on the student's ISIR.

Comment codes not in use for 2001-2002 are identified with a definition of "Not Used".

You left "Drug Conviction Affecting Eligibility?" blank. IF YOU HAVE A DRUG CONVICTION, you MUST answer this question. Your failure to accurately answer this question could result in legal action against you by the U.S. Government. Use the enclosed worksheet to determine your answer to this question. You can correct this item by calling 1-800-4FED-AID (1-800-433-3243) or by going to www.fafsa.ed.gov. You can also use this report. A drug conviction does not necessarily disqualify you from receiving student aid.

There are issues with your application information that need to be resolved before your eligibility can be determined. Read this letter carefully for specific information. After making all necessary corrections, you and your parent must return all documentation to your school.

It appears that the social security number you reported on your application is not valid.

You did not provide the complete social security number and name for your parent(s).

If you need additional help with your ISIR, contact your school Financial Aid Administrator (FAA) or the Federal Student Aid Information Center at 1-800-4FED-AID (1-800-433-3243). If your address changes, contact your school or call 1-800-4FED-AID to make the correction on your record.

You left "Drug Conviction Affecting Eligibility?" blank. IF YOU HAVE A DRUG CONVICTION, you MUST answer this question. Your failure to accurately answer this question could result in legal action against you by the U.S. Government. Use the enclosed worksheet to determine your answer to this question. You can correct this item by calling 1-800-4FED-AID (1-800-433-3243) or by going to www.fafsa.ed.gov. You can also use this report. A drug conviction does not necessarily disqualify you from receiving student aid.

Based on the information we have on record for you, your EFC is 99999. Your school will use this number to determine what types of aid and how much you are eligible for. You are not eligible for a Federal Pell Grant but you may be eligible for other aid.

We assumed certain information to calculate your eligibility for federal student aid. We printed an asterisk (*) next to the items containing assumed information. If our assumptions are correct, do not change them.

If you have now filed your 2000 tax return, correct this ISIR to reflect the information as reported on your tax return. If you still haven't filed, notify your Financial Aid Administrator once you file.

Be sure to review the items marked with an "h" or an "*" on your ISIR and make corrections if necessary.

You reported that you will either have a bachelor's degree by July 1, 2001 or you will be working on a degree beyond a bachelor's degree. Graduate students are eligible for most types of federal aid, but generally not the Federal Pell Grant.

If you need additional help with your ISIR, contact your school Financial Aid Administrator (FAA) or the Federal Student Aid Information Center at 1-800-4FED-AID (1-800-433-3243). If your address changes, contact your school or call 1-800-4FED-AID to make the correction on your record.

You left "Drug Conviction Affecting Eligibility?" blank. IF YOU HAVE A DRUG CONVICTION, you MUST answer this question. Your failure to accurately answer this question could result in legal action against you by the U.S. Government. Use the enclosed worksheet to determine your answer to this question. You can correct this item by calling 1-800-4FED-AID (1-800-433-3243) or by going to www.fafsa.ed.gov. You can also use this report. A drug conviction does not necessarily disqualify you from receiving student aid.

Based on the information we have on record for you, your EFC is 0. Your school will use this number to determine what types of aid and how much you are eligible for. You may be eligible to receive a Federal Pell Grant and other federal student aid.

Your school will ask you to provide copies of certain financial documents for you (and your spouse).

If you need additional help with your ISIR, contact your school Financial Aid Administrator (FAA) or the Federal Student Aid Information Center at 1-800-4FED-AID (1-800-433-3243). If your address changes, contact your school or call 1-800-4FED-AID to make the correction on your record.

You left "Drug Conviction Affecting Eligibility?" blank. IF YOU HAVE A DRUG CONVICTION, you MUST answer this question. Your failure to accurately answer this question could result in legal action against you by the U.S. Government. Use the enclosed worksheet to determine your answer to this question. You can correct this item by calling 1-800-4FED-AID (1-800-433-3243) or by going to www.fafsa.ed.gov. You can also use this report. A drug conviction does not necessarily disqualify you from receiving student aid.

Based on the information we have on record for you, your EFC is 56791. Your school will use this number to determine what types of aid and how much you are eligible for. You are not eligible for a Federal Pell Grant but you may be eligible for other aid.

Your school will ask you to provide copies of certain financial documents for you (and your spouse).

We assumed certain information to calculate your eligibility for federal student aid. We printed an asterisk (*) next to the items containing assumed information. If our assumptions are correct, do not change them.

Be sure to review the items marked with an "h" or an "*" on your ISIR and make corrections if necessary.

If you need additional help with your ISIR, contact your school Financial Aid Administrator (FAA) or the Federal Student Aid Information Center at 1-800-4FED-AID (1-800-433-3243). If your address changes, contact your school or call 1-800-4FED-AID to make the correction on your record.

You left "Drug Conviction Affecting Eligibility?" blank. IF YOU HAVE A DRUG CONVICTION, you MUST answer this question. Your failure to accurately answer this question could result in legal action against you by the U.S. Government. Use the enclosed worksheet to determine your answer to this question. You can correct this item by calling 1-800-4FED-AID (1-800-433-3243) or by going to www.fafsa.ed.gov. You can also use this report. A drug conviction does not necessarily disqualify you from receiving student aid.

Based on the information we have on record for you, your EFC is 0. Your school will use this number to determine what types of aid and how much you are eligible for. You may be eligible to receive a Federal Pell Grant and other federal student aid.

We assumed certain information to calculate your eligibility for federal student aid. We printed an asterisk (*) next to the items containing assumed information. If our assumptions are correct, do not change them.

Be sure to review the items marked with an "h" or an "*" on your ISIR and make corrections if necessary.

You did not provide the complete social security number and name for your parent(s).

If you need additional help with your ISIR, contact your school Financial Aid Administrator (FAA) or the Federal Student Aid Information Center at 1-800-4FED-AID (1-800-433-3243). If your address changes, contact your school or call 1-800-4FED-AID to make the correction on your record.

A drug conviction does not necessarily disqualify you from receiving student aid.

There are issues with your application information that need to be resolved before your eligibility can be determined. Read this letter carefully for specific information. After making all necessary corrections, you must return all documentation to your school.

We recently received a student aid application with an incomplete name from this address. The applicant should review the ISIR and provide his or her full name. If the applicant does not have both a first and a last name, contact your FAA for assistance.

You reported that you will either have a bachelor's degree by July 1, 2001 or you will be working on a degree beyond a bachelor's degree. Graduate students are eligible for most types of federal aid, but generally not the Federal Pell Grant.

If you need additional help with your ISIR, contact your school Financial Aid Administrator (FAA) or the Federal Student Aid Information Center at 1-800-4FED-AID (1-800-433-3243). If your address changes, contact your school or call 1-800-4FED-AID to make the correction on your record.

You left "Drug Conviction Affecting Eligibility?" blank. IF YOU HAVE A DRUG CONVICTION, you MUST answer this question. Your failure to accurately answer this question could result in legal action against you by the U.S. Government. Use the enclosed worksheet to determine your answer to this question. You can correct this item by calling 1-800-4FED-AID (1-800-433-3243) or by going to www.fafsa.ed.gov. You can also use this report. Based on the information we have on record for you, your EFC is 4739. Your school will use this number to determine what types of aid and how much you are eligible for. You are not eligible for a Federal Pell Grant but you may be eligible for other aid.

Your school will ask you to provide copies of certain financial documents for you (and your spouse).

If you need additional help with your ISIR, contact your school Financial Aid Administrator (FAA) or the Federal Student Aid Information Center at 1-800-4FED-AID (1-800-433-3243). If your address changes, contact your school or call 1-800-4FED-AID to make the correction on your record.
